"This is an easy variation of a favorite. I used to prepare it the traditional way, with sour cream, but I didn't have any one night, so I used cream cheese instead. My husband and I liked it even better! Serve over hot, cooked egg noodles or rice."

Ingredients

1 pound cubed beef stew meat	1 tablespoon Worcestershire sauce
1 (10.75 ounce) can condensed golden mushroom soup	1/4 cup water
1/2 cup chopped onion	4 ounces cream cheese

Directions

- 1 In a slow cooker, combine the meat, soup, onion, Worcestershire sauce and water.
- 2 Cook on Low setting for 8 hours, or on High setting for about 5 hours. Stir in cream cheese just before serving.
